

# CHOOSE LIFE

*By Allan James*

## **Doors to Somewhere**

*Choose Life ..... Choose Life ..... Choose Life .....*

You can do anything you really want to do.... in life...

And you can see anything you really want to see.... in life...

You can see a raven in a burning desert sky,

You can be a writer in a traveling band in Africa,

You can learn the language and speak the words of ancient rhymes,

Maybe feel the feelings of how it was in ancient times...

You can be anything you really want to be... in life...

You can hear anything you really want to hear... in life...

You can climb a mountain and hear the voice of angel's call,

And you can teach the children to read the writings on the wall

*Choose Life ..... Choose Life ..... Choose Life .....*
